a. Biszyntok

The airport has been taken over exclusively by the Soviet Air Force. Even the civilian elation of the LOT lines, used for communications with Mescow, has been liquidated.

b. Omneta (Cornditt, Enst Processe)

In this region the Soviet Arry has constructed a large sirport near the coast. In Decement 1947 and James y 1948, many fighter aircraft were brought there; they stand on the airport, covered with tarpoulins. At present, bombers are being brought in. A permanent telephone cable has been laid. The radio station is located in a brick building on the field. There are also feel tanks.
